[redacted] applied unsuccessfully to us a few years ago but now appears to me to have the qualifications we are looking for. Anyway, would you please ask the proper people to take a good look at her - to include an interview if possible - and let me know the outcome.

Thanks.

Dear Tom.

I am enclosing [ ] resumè as you suggested. STAT  
She will be with us until she returns to Berkeley on  
January 2 and should there be any interest on the part  
of your personnel people in interviewing her she can  
be reached [ ] STAT  
[ ] STAT

I appreciate your help with this. At this point she  
does not think she wants to continue her studies beyond her  
M.A. and wants to get a clearer idea of the range of  
employment possibilities which may be open to her.

Best regards.

Sincerely,

*John*
